Milton Abbas Art Group

# Creativity, Friendship

Art.

## Welcome to MAAG

We're a friendly bunch of artists representing all ages, levels of artistic confidence and preferred media, and we meet weekly at the Reading Room opposite St James Church in the beautiful village of Milton Abbas.

# Membership

## benefits

## Discounted workshops

It's really important to us that we put together a varied and interesting programme that's as accessible to as many people as possible, and this includes heavily discounted visits from local artists. From colour-mixing magic to abstract art, if there's something MAAG members would like to learn we'll do our best to accomodate!

## Social outings

One of the loveliest things about being part of a group, is getting to spend time with and chat to likeminded people.

As well as our regular Monday evenings, we also arrange occasional social trips. From wandering around art galleries gathering inspiration, to picnics in beauty spots – we all have a marvellous time.

## Local discounts

MAAG members also have access to discount at a number of independent local shops. You'll receive an up-to-date list of these when you become a member.

## Summer exhibition

Every year, we hold a week-long members exhibition in the Reading Room. It's great fun to take part in! You can exhibit and sell your work, and everyone takes turns stewarding – it's a real opportunity to learn about displaying work, and hear people saying lovely things.

## Low-cost membership

Yearly membership fees are worked out on the cost of hiring the hall and refreshments, and are kept as low as possible to keep it accessible.

## Interested? Come and try it!

If you'd like to see what it's all about, come and join us for a free taster session! Simply drop us an email to the address overleaf.
